

ADVANCED DEFENSE SCENARIO TRAINING

Prerequisites: None

Course Summary:

This course offers practical application and an informational approach to dealing with crimes we all read about, but would not know how to deal with. Scenario training is a key component to verifying that what we have learned really works. ARMADA can provide scenario training on any one, or all of the following topics.

Course Length / Hours: Varies based on the client's needs.

Topics May Include:

Various Crime Scenarios	Having a plan
Self / Victim Triage and First-Aid	Evidence Identification and Preservation
Assault Cycle	Contacting the Authorities / Police Contact
Courtroom Survival	Multiple Attackers
Position of Advantage (POA)	Firearms Survival (close range and medium distances)
Chemical Agent Deployment	Location Advance (threat assessment)
Low and High Risk Locations	Situational Awareness
Public Locations Situational Awareness	Travel Precautions & Securities
Hotel Safety	Vehicle Safety
Armed Robbery Defense	Impact Weapons Defense
Carjacking	Driving Security
Alternative Weapons	K.I.M.S. Game
Home Security
