

**Prerequisites:**

Students must be able to disassemble and reassemble their carbine, and have a very good understanding of weapon safety and carbine fundamentals. Students must complete the first two courses of ARMADA's carbine training series which consist of *Introduction to Carbine*, and *Basic Home Defense Carbine* courses (or equivalent) prior to attending the intermediate level carbine course.

**Course Summary:**

This course provides novice level shooters with the intermediate level fundamentals and tactics related to carbine rifle shooting. The course will train students to use the rifle as a defensive weapon while in their home (or similar) environment. The objective of the course is to provide the students with additional / relevant information related to the carbine rifle, as well as teach students how to shoot more accurately while in adverse environments and positions.

**Course Length/ Hours:**

Full day. Exact times are listed on the website ([www.armadausa.com](http://www.armadausa.com)).

**Topics Covered:**

Review of the Fundamentals of Marksmanship  
Correction of Grip, Stance, and Trigger Control Issues  
Sight Management  
Gear placement  
Emergency / Speed Reload & Tactical / Strategic Reload  
One Handed Unsupported Shooting  
Strong-Side / Weak-Side Shooting  
Shooting from Alternative Positions  
Target Identification  
Shooting Multiple Targets

**Ammunition Requirements**

Win-clean, Jacketed, No Straight Led  
No Steel Core or No Case Ammo allowed  
300 Rounds

**Gear Requirements:**

Carbine rifle, 3 magazines, magazine holder, cleaning kit, flashlight, (weapon mounted or hand held), ear and eye protection. Weapon lasers are encouraged and optional. Students are encouraged to wear clothing appropriate for climate and conditions, as well as bring water bottle or other hydration system.

**Classroom & Range Information:**
