

VICTIMIZATION REDUCTION – STREET SMART SURVIVAL

Prerequisites:

None

Course Summary:

This class is a MUST take class for parents, high school students and college students, business professionals, realtors, utility workers, delivery drivers, police officers, security professionals and the like. This course is an extension of our *Victimization Reduction – Mind Setting* course. Our Street Smart Survival course builds upon the topics addressed in the Mind Setting course by discussing a number of other very specific concerns. This course will absolutely provide students with the tools needed to avoid an incident and/or properly respond to an emergency / crisis. Don't worry if you haven't taken our Victimization Reduction - Mind Setting course because this course will revisit a number of the same topics, but take them to a whole new level.
